| <p><i>Now faith is being sure of what we hope for and certain of what we do not see. This is what the ancients were commended for. Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith...</i><br/>Hebrews 11:1-2; 12:1-2</p> |                                                                                                            |                                                                                     |                                                                                                          |                                                                             |                                                                     | <p><b>1</b><br/>Archdale Friends<br/>Rodney Kirby<br/>Social Media Co<br/>Jenny Gullion</p> |
