PRESIDENT'S MESSAGE

Jan Dough

“Get rid of all bitterness, rage and anger, brawling and slander, along with every form of malice. Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.”
Ephesians 4:31-32 New International Version (NIV)

I've never been very good at making or keeping New Year's Resolutions. Usually by this time in the New Year I've either forgotten about the plans I'd made or I just could no longer keep my promises. This could be because I made resolutions that I was not fully committed to (like losing that weight) or they just were not that important to me. Facebook had an interesting twist to New Year's Resolutions – a Word of Truth. Daysprings offered a quiz you filled out and then it gave you your “word” for the year. Your word will serve as a reminder of God's truth in your life and inspire you to live your faith each and every day.

Now, I didn't do the questionnaire but I like the idea of a simple word to focus my mind, heart, and spirit on what God would have for me in the coming year. I got my word for this year at a celebration of life service. The end of 2017 had several sad events for me as I lost some dear family members and then in December one of my son's dearest friends lost her battle with cancer. Katie was an amazing young lady who touched the lives of many with her contagious smile and her expressions of love. Katie had planned her service and as heartbroken as I was, I left with a great feeling of peace and comfort. It was a service of rejoicing and praise. Katie had chosen the music, speakers, and scriptures to be read. Ephesians 4:31-32 was among those chosen and Katie's final request was that everyone, “Be Kind”. She wanted everyone to remember her by performing random acts of kindness.

So my word for 2018 is Kindness, following Katie's footsteps and consciously practicing being friendly, generous, and considerate – Kind to one another. Aren't you uplifted when someone reaches out to you with even the smallest kindness, especially when it's unexpected? It can be as simple as offering a smile, a meal when needed, or just a listening ear. We can love others with small kindnesses, and small kindnesses can gather into a lifetime of love. Find your word for 2018 and let it lead you to God's calling.

Our Spring Conference will be coming up soon so mark your calendars for Saturday, April 21. We will gather at Quaker Lake Camp for a fun morning of fellowship and worship. Our speaker will be Brenda McKinney on our Jamaica Missions. We will also be offering babysitting so bring your children with you for a fun morning at Camp. See you there!

PEACE AND CHRISTIAN SOCIAL CONCERNS

Esther Creed

During a week's time this January, we have had 6-7 inches of snow; and today, the temperature is 60+ degrees. I hope we don't get anymore, but I'm reminded that we don't always get what we want.

Recently, Dr. Bernice King addressed a gathering in Atlanta, Georgia. Not much has changed since her father Dr. Martin Luther King made his famous speech more than 50 years ago. It seems we are still fighting the same battles. In this day and age, if we don't learn how to live together, we're not going to survive. During her speech Dr. Bernice King said, "I may not agree with you, but I have to open my heart and my mind to hear you because I might learn something."

God has no body, His hands and feet are people. God is calling out for vessels. Basically what she said is, "What the world needs now is Love."

NOTE FROM HISTORIAN

Adis Beeson

Just a reminder, that due to the restructure, we need to be aware of those members who have left the Yearly Meeting but were members prior to the separation. Also consider the members that may have left their meeting due to retirement or relocation in their last years. Please continue to send memorial names in all through the year. Thank you for helping us keep our records current.

MEMORIALS

As a way to remember those who have passed on, we want to take time at our Spring Conference each year to thank God for their service and faithfulness. Please list names below of members who have passed away this year. Memorials will be read at the NCUSFW Spring Conference at Quaker Lake.

CHILDREN AND YOUTH EDUCATION

Denise E. Barnes

Recently, my hometown went through the process of “rebranding”. A marketing company was hired to gather as much information as possible. A group of businessmen, citizens and city officials worked together with the company to create a new “brand” (logo and tag line) to move our city forward. This has been a very positive experience.

Children are sometimes “branded” early on and carry that with them for life. As a young educator, I can recall hearing children call each other names, like “sissy”, “prissy”, “chicken”, etc. I struggled with ways to gently correct these children and explain to them that everyone is different and unique in their own ways.

Years later, I found the book, Ferdinand, by Munro Leaf (it was recently released as a children’s movie). It remains one of my favorite books because it has such a great lesson: we are all different and unique. We don’t have to be just like everyone else or do what everyone else thinks we should do to avoid being “branded”. Ferdinand didn’t want to participate in bullfights; he just wanted to sit in the pasture and smell the flowers. I used this book during a children’s sermon one Sunday and used the following verses:

“For you created my inmost being; you knit me together in my mother’s womb. I will praise thee; for I am fearfully and wonderfully made: marvelous are thy works; and that my soul knoweth right well.” (Psalm 139:13-14).

We should encourage our children to “smell the flowers”!

CHRISTIAN SERVICE

Judy Craven

HAPPY NEW YEAR!!

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Galatians 6:9

This scripture is used to encourage us to continue in your Christian Service work to help those in need in your communities and throughout the world. The colder weather and short sunshine-days seem to draw us into our own lives and homes—much like animals that hibernate in winter. There’s much need in the world—hunger, poverty, illnesses, natural disasters and political unrest. The list is long, but we have a loving God who encourages us to “be about our Father’s work” as Jesus spoke.

Our resolution for this new year could be to “Serve the Lord with Gladness as we meet the physical needs of others and bring light, hope and love to the world”. The words of the song below, “Make Me a Channel of Your Peace”, have carried me along during this busy and unsettling year. I hope you enjoy reading the encouraging and challenging words---and are able to listen to the beautiful music. It’s easily found by searching the title of the song.

“Make Me a Channel of Your Peace”

Make me a channel of Your peace,
Where there is hatred let me bring Your love,
Where there is injury Your pardon, Lord,
And where there’s doubt true faith in You.
Make me a channel of Your peace,
Where there’s despair in life let me bring hope,
Where there is darkness, only light,
And where there’s sadness, every joy.

Oh, Master grant that I may never seek
So much to be consoled as to console,
To be understood as to understand,
To be loved as to love with all my soul.
Make me a channel of Your peace.
It is in pardoning that we are pardoned.
In giving to all men that we receive,
And in dying that we’re born to eternal life.

NEWS from FEMAP

The door at FEMAP is always open on Wednesdays from 10AM to 2PM. All of you are welcome to come and help. Becké Jones appreciates the volunteers who come weekly to assemble kits at the Allen Jay House---Martha Dentiste, Kathy Adams, Patricia Sebens, Mary Allen, Florence Dale, Ken Taylor and Phyllis Bell. Several groups from meetings/churches come several times a year to lend a hand. Many sew in their own homes to make simple clothing, baby blankets and quilts. There are many ways, especially donations of kit items, to help Friends Emergency Materials Assistance Program. Distribution of materials over the last few months were school kits for an ESL teacher in Galax, Va., farm-worker kits for migrant workers in the Galax area, and hygiene kits plus winter clothing items(knitted toboggans, coats, gloves and blankets) for the Interactive Resource Center serving the homeless in Greensboro. Wide-ruled composition books are an immediate need, along with all items of the various kits (infant, hygiene, school, and farm-worker).

ADULT MISSIONARY EDUCATION

Edith Shepherd

Dear USFW members,

I would like to share with you my friend Sara Lookabill's report concerning Belize and work Friends are doing there. You may remember Sarah is the former editor of our USFWI Blueprints. As we all know, we contribute to this project which is appreciated very much.

You will notice there is also a need for volunteers to help with the many tasks available and needed. Wouldn't it be great to plan a trip to Belize, not only to enjoy the weather and beautiful sights but also to fellowship with our Friends there? Here is a project for your circles and Meetings if you are looking for one!

Edith L. Shepherd, Adult Missionary Education.

“In 2016, Friends United Meeting approved looking for new property in Belize which would accommodate the growing Belize Friends School. Improving safety and security for school personnel, students and property, as well as having room for the new Belize Friends worship group were also considerations. After much searching, a new place was found and purchased in November of 2016. The new facility is located approximately one mile from the old property and is across the street from the Port of Belize. It consists of two buildings. A three-story building in the back is to be used for classrooms and a dormitory for visiting work teams. It also has an apartment for the Belize pastor, Oscar Mmbali. The two-story building in the front will house school administrative offices as well as a community room for the worship group and other activities. It also has an apartment for the yet-to-be appointed Director of the School. The property is secured by a fence/gate and does not have flooding issues like the other one did.

While the buildings themselves were very sound, there was much to be done in renovations in order to make it fully functional as the new Belize Friends Center. Dale Graves was appointed as the Construction Manager to oversee the process.

Shortly after the purchase, students, staff, parents and neighborhood volunteers spent a day cleaning up the property which had previously been an automotive supply parts company and warehouse. In January 2017, the first work team of three people from Western Yearly Meeting spent a week putting in new electrical wiring in the classroom building and readying the apartment in that building and the dormitory for occupancy.

Dale's ambitious goal was to have at least one classroom ready to move the students into after their Spring break that year. This was accomplished with the help of other teams from Western Yearly Meeting and Wilmington Yearly Meeting.

Since then, more groups and individuals have traveled to Belize to work on the project, but there is still much to be done. Right now, the focus is on the front building and getting the apartment there ready. Tasks are available for both skilled and non-skilled workers. There are also opportunities to work directly with the students if desired."

STEWARDSHIP

Linda Anderson

"Honor the Lord with your possessions, and with the first fruits of all your increase; so your barns will be filled with plenty, and your vats will overflow with new wine." (Proverbs 3:9,10 NKJV).

Throughout scripture God calls us to be a giving people. The concept of giving God our "first fruits" and also of tithing a fair percent was first mentioned in the Old Testament. Likewise, in the New Testament, many of Jesus' parables speak to the proper use of our resources. As such, for Christians, generous giving is fundamental to our faith tradition.

In the absence of stewardship, many of the churches, schools, hospitals and outreach programs as we know them would not exist today. We may forget, or at least take for granted, that many of these institutions and organizations were built by previous generations who gave generously of their time, talents and resources. Our ancestors in faith understood their responsibility to support the establishment of God's kingdom here on earth. They made God a priority in their lives, and they generously shared, no matter how much or how little they had.

It goes without saying that stewardship enriches one's prayer life and strengthens our faith. Ultimately, before we give any time to any other activity, stewardship calls us to give time to God. If we are not spending time with God, we may be good volunteers or good donors, but we are not good stewards. We are not doing what God asks us to do because we have not taken the time to be with Him and ask for His guidance. By establishing a closer relationship with God, we are able to truly change our lives. As we grow closer to Him, we can more clearly hear how God is calling us to give more fully. It is then that we begin to give out of deep love for God, and more importantly, that we find joy in that giving.

LITERATURE

Darla Anderson

Hi Ladies! I am writing this article on a cold, dreary, rainy day. While it's not the kind of day I like to get out in, it's the perfect weather to wrap up, put your feet up, and settle in with a good book. I hope you're enjoying reading from our 2017/2018 reading list.

Even though it doesn't feel much like spring right now, it won't be long before Spring Conference will be here. I'll still have some books available from the 2017/2018 list if you haven't finished your current reading, or if you just want to pick up a good book at a bargain price.

I will also have the books for our 2018/2019 list available, as well as new Blueprints and Calendars. So, please plan to come on out to Quaker Lake on April 21st, browse our bookstore, and buy some new books. Remember, our profits go to our Eliza Armstrong Cox Scholarship Fund.

See you then!
