

FCNC Nomination Committee Report

August 2021

In our previous report, we asked for assistance with the work of this committee. We do have two new members, Cheryl Benson and Kevin Smitherman. I have updated the Excel report of all committee members, removing previous members, adding new members, and inserting term extensions with agreement from members. We still need to fill the open Program Committee member slot left open by resignation of Robin Williams. The Excel sheet, part of this report, details the updates since our last meeting. Kevin Smitherman has agreed to check with members of Christian Education about current service members and possible extension of terms for 3 more years. Evangelism & Outreach Committee is set through 2022. Finance members agreed to extend for 3 more years. Missions members agreed to serve 3 more years. We appreciate members serving, and willing to extend service to FCNC and our ministry teams.

For clarification, years of service are through December 31st of that range, right? So, if someone is on the report 2020-2022, that indicates their service is set to end 12/31/2022, right? This question was posed a couple of ways and times when we contacted current members, so I think we need to clarify so we can communicate the proper expectation.

Thank you.

Greg Creed, FCNC Nominating Committee Chairperson
