FAN THE FLAME

"I recall your sincere faith that first lived in your grandmother Lois and in you mother Eunice and now, I am convinced, is in you also. Therefore, I remind you to rekindle the gift of God that is in you through the laying on of my hands."(2Timothy 1:5-6)

Paul encourages us through the image of fire that we should rekindle the flame that is stirring up inside the young people around us. That fire needs constant attention so that it will always burn bright. I am reminded every time I meet with my youth group that the fire has not gone out. Paul reminds Timothy not only of his spiritual roots, but of the gifts he has been given for ministry. We, as mentors, should be doing the same to every young person around us. I, as Paul, appeal to you to encourage the children and teens not to neglect the gift that lives inside of them. Paul tells Timothy to practice and be committed to these things, so that our progress may be evident to all. Like Paul, We should pay close attention to our example and what we teach. To move forward. To persevere. This will save us and those around us.
