

Friends Church of North Carolina

Ministry and Counsel Agenda

August 7, 2020

Welcome and Worship for Business

The body of Christ is not a building It's a people. Even though we commonly hear the Meeting House referred to as "the church," we must remember that the true church is the body of Christ. The church is you and me. Ephesians 1:22-23 is a powerful passage concerning the body of Christ. Speaking about Jesus, it says, "And God placed all things under his feet and appointed him to be head over everything for the church, which is his body, the fullness of him who fills everything in every way. We (the Church) will never experience all that God wants us to know in terms of spiritual maturity and godliness in the Christian life unless we become personal in the church.
