

2026 FCM CAMPUS PASTORS

NC STATE UNIVERSITY

My name is **Tucker Batten** and I am a junior at NC State. It is my first semester Co-leading FCM here. I am majoring in Horticulture and I am starting up a job at the on-campus climbing wall. I have had the opportunity to work at Quaker Lake for the past 2 years and I am excited for this new opportunity ahead.

My name is **Jake Bethune** and I have the pleasure of being a co-leader of FCM at NC State. I also am involved with CRU, the Disc Golf Club at NC State, and occasionally young life. I have had the blessing to work at Quaker Lake Camp for the past 2 summers as a camp counselor. I am majoring in Biology and planing on going on to be a Nurse Practitioner.

Please pray that everyone who needs to come to FCM finds their way. Also pray for Tucker and me as we begin a new season of our lives, pray that God speaks through us to our friends. Pray that He gives us the right words in every situation as we have a very young group so far.

NC STATE UNIVERSITY

Hey, my name is **Paige Needham**. This will be my second semester leading FCM in Wilmington. I am senior at UNCW. I also worked at Quaker Lake Camp for three summers. I am so excited for another year in this FCM Campus Leader role.

I would love prayers that Jesus will be the leader of all of our meetings. That He will speak through me, and cultivate a spirit of community and trust. I pray that we will learn new and transformative things about Him that we carry on outside of FCM.

APPALACHIAN STATE UNIVERSITY

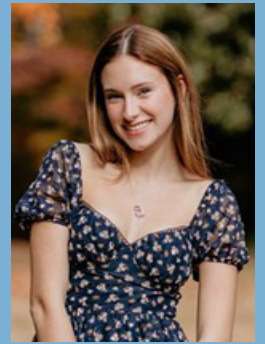

My name is **Seth Varner**, I am a sophomore at Appalachian State University majoring in construction management. This will be my first time leading FCM, and I feel so blessed for this opportunity. I have also had the privilege to work at Quaker Lake Camp for the past three summers, and I hope I can help spread some of the knowledge I've gained there here at school.

I would appreciate prayers that God will speak through me and guide our meetings each week.

Also prayers that everyone will hear and understand God's word to the fullest. Prayers for everyone to spread the knowledge they gain and stay rooted in Christ would also be greatly appreciated.

UNC CHAPEL HILL

I'm **Emma Mize** and I'm a junior studying Biology/Exercise and Sports Science at Carolina. I've worked as a co-campus pastor with Grayce for the last 3 semesters and also worked as a camp counselor at Quaker Lake Camp for the past three summers! I'm extremely excited for the semester to start and to be able to meet for FCM again, since it has become one of my favorite parts of my week!

I'm **Grayce Simpson** and I'm a 2nd year graduate student at UNC pursuing a masters in Speech Language Pathology. I could be more excited for FCM this year and seeing all that God has in store for us. FCM is the highlight of my week and God has worked through this group in so many ways fostering a beautiful community of people striving to Love God and Love people in all things.

We've recently been praying to get to see old faces as well as new ones, and that we'll be able to share how awesome FCM is with more people this semester.

We're always praying that FCM reaches every person's heart in each individual way that they need and that they leave feeling that their relationship with God and others has been strengthened
